## Privacy Resources

U.S. Department of Justice web page — Overview of the Privacy Act of 1974

This page provides a discussion of the Privacy Act's disclosure prohibitions, its access and amendment provisions, and its agency recordkeeping requirements.

American Statistical Association's — Web Site on Privacy, Confidentiality, and Data Security

This page includes information about general guidelines for privacy and confidentiality protection for government and international agencies, as well as guidelines that are specific to individual agencies and contractors.

For example, it provides a link to the Office of Management and Budget's "Order Providing for the Confidentiality of Statistical Information." It also provides information about statistical methods used by various agencies to prevent disclosure of individual information in tables or other statistical summaries.
